

— WILD DUNES —

Wild Dunes, located on Isle of Palms — just 19 miles from downtown Charleston — has two Four Diamond properties to choose from, The Boardwalk Inn and The Village. This family-friendly vacation spot can provide condominiums, cottages or a hotel stay. Sought after for their award-winning golf, tennis, and proximity to historic downtown Charleston, it's no wonder Travel + Leisure named Wild Dunes “One of the World’s Best Hotels for Families.” It was also ranked as a “Top Resort” by Conde Naste Traveler readers for the last three years.
