CDFA Recognizes Taylor Brittan Dietz, DFCP

— Newest Graduate of the Prestigious Development Finance Certified Professional (DFCP) Program —

Columbus, OH — The Council of Development Finance Agencies (CDFA) is pleased to announce Taylor Brittan Dietz, Consultant for Quest Site Solutions, as the newest graduate of the prestigious Development Finance Certified Professional (DFCP) program. Ms. Dietz joins the ranks of fellow graduates who have invested in their professional development and are recognized as emerging leaders in the development finance industry.

“CDFA is always looking to engage the best and brightest in development finance with this program, and we are happy to welcome Taylor into the ranks of DFCP graduates,” states Toby Rittner, DFCP and President & CEO of CDFA. “Our hope is that through their participation in the DFCP program, graduates leave ready to employ development finance tools in the communities they work in.”

Taylor Brittan Dietz joined Quest Site Solutions as a Consultant in 2022. With a background in local economic development, she previously served as Project Manager for the Development Authority of Columbia County, GA, and also worked with the Development Authority of Milledgeville & Baldwin County, GA. In 2022, she earned accreditation as a Certified Economic Developer (CEcD) from the International Economic Development Council.

Ms. Dietz plays a key role in site selection and economic development projects, contributing throughout all project stages—from detailed site and infrastructure assessments to incentive capture. She is passionate about helping clients expand their impact and strengthen local economies.

With nearly 10 years of experience, Taylor’s expertise spans site certification, demographic and labor market analysis, project management, business retention, redevelopment, and business attraction. Her portfolio includes major projects in manufacturing, distribution, and headquarters operations.

CDFA’s Development Finance Certified Professional (DFCP) Program is an intense training course learning experience and is the industry’s only comprehensive development finance professional certification program. The DFCP Program is designed to produce graduates with a comprehensive knowledge of development finance concepts, tools, and applicability as well as a deep understanding of the entire development finance spectrum. Graduates of the DFCP Program gain valuable knowledge and experience within the complex development finance industry and achieve a level of understanding unmatched by any other professional certification program.

The **Council of Development Finance Agencies** is a national association dedicated to the advancement of development finance concerns and interests. CDFA is comprised of the nation’s leading and most knowledgeable members of the development finance community representing public, private, and non-profit entities alike.
